The Cincinnati Reds Say "Yes" to Angels for Higher and Hire Four New Greeters to Work at the Great American Ball Park this Season!

Robert and Trevor recently flew to Cincinnati, Ohio to talk with the Cincinnati Reds Baseball Team about hiring local greeters with Down syndrome at the Reds Team Shop.

The Reds said "YES" in a very big way by hiring the four exceptional greeters we recruited with amazing help from the Down Syndrome Association of Greater Cincinnati.

also appreciative of our efforts, *“Thank you again for your dedication; using your experience to help others is the ultimate.”*

Mathew also joins the Reds as a Greeter!

Mathew volunteers at Matthew 25 Ministries and helps feed the homeless in downtown Cincinnati. His mom Mary said, *“Mathew is a big Reds fan and VERY excited about this opportunity”*

Katie hired as our first female Greeter!

The Reds hired Katie, and we are thrilled that she will be our first female Greeter! Katie's dad Chris stated, *“I just wanted to thank all of you for helping to provide this*

opportunity for Katie. She is absolutely ecstatic about working for the Reds.”

Angels for Higher is seeking financial support as we expand our efforts into 2019. We have a special need right now...Trevor and I are currently making plans to visit Minnesota to make a presentation to the Twins. This trip will cost \$3,750. Would you please consider partnering with us as we reach out to additional sports stadiums?
