Bob, Melissa and Trevor were invited out to Focus on the Family in Colorado Springs to record a radio interview that will be broadcast on World Down Syndrome Day, Thursday, March 21, 2019.

Focus on the Family, a Christian ministry with an audience of millions across the United States and around the world, has been dedicated to helping families thrive since its founding in 1977.

Focus on the Family provides help and resources for couples to build healthy marriages and for parents to raise their children according to biblical principles.

Focus on the Family President Jim Daly stated, *"Trevor's life is a powerful testimony to the inestimable worth of every human being and a reminder that God creates all of us with a divine purpose to fulfill. It's clear the Lord is working through your family in incredible ways, and I look forward to learning how He continues to impact lives through Angels for Higher. It will be a privilege to air this compelling discussion in conjunction with World Down Syndrome Day."*

Jim Daly further stated, *"Wow, what a powerful story! Bob Hendershot, you are a terrific Dad, and let me tell you, from one father to another, you're doing the job! I'm so impressed with the way you advocate for Trevor, while also letting him stand on his own two feet, and that's not easy to do. This kind of story really hits home with us here at Focus on the Family. The positive impact Trevor's life has had on others is undeniable, and it's a message of hope to all parents of children with special needs."*

Matching Grant met in record time!

Angels for Higher received a \$4,000 matching Grant offer from an Anonymous Donor. In other words, they offered to match any gift we received from other donors up to \$4,000...basically doubling any new donors' gifts. We were going to offer the matching Grant in this Newsletter, but it was matched by donors before we sent it out!

This tremendous success has inspired us to develop another matching grant later this year.

Thank you very much to our Anonymous Donor and the new donors who helped match this grant!

Angels for Higher needs your prayers to help us change the public perception of individuals with Down syndrome by facilitating their employment as Greeters at sports stadiums. Any large and small tax-deductible donations you contribute will also play an important role in this year's plans for expansion. Thank you in advance for your prayerful and financial partnership with our mission!
