

ANGELS FOR HIGHER

Newsletter: Volume Four - New Year's Day 2020

December 2018

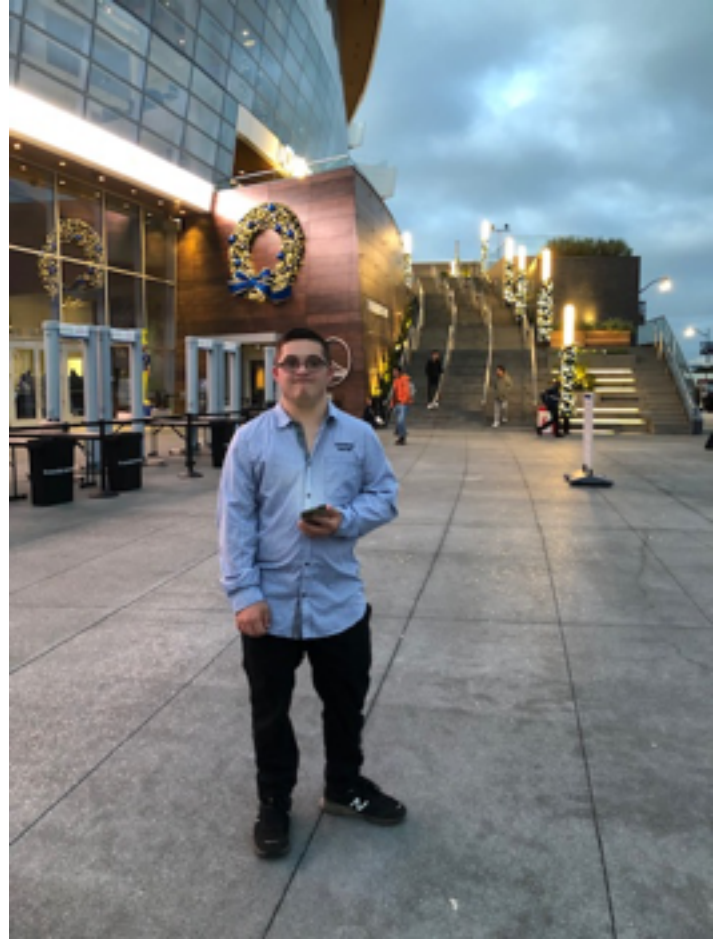

Angels for Higher really began in December 2018. At that time, Trevor alone was working as a Greeter for the L.A. Angels, Anaheim Ducks, L.A. Rams and U.S.C. Trojans.

December 2019

Over this past year Angels for Higher inspired the Inland Valley 66ers, Cincinnati Reds, Cincinnati Bengals, the Oakland Athletics, San Francisco 49ers, Golden State Warriors and the Notre Dame Fighting Irish to hire total of twenty more Greeters!

First Quarter 2020

Robert & Trevor made a presentation to Major League Baseball's Security & Ballpark Operations Conference last November. Ten additional MLB teams expressed immediate interest in incorporating Angels for Higher's program at their stadiums this season. Time is of the essence since baseball teams will do most of their hiring by late January/early February.

Donor offers \$10,000 Matching Grant

An anonymous donor has offered a \$10,000 matching grant to help Angels for Higher make presentations at these stadiums, recruit qualified Greeter candidates from the surrounding communities, and facilitate successful interviews between candidates and the teams.

In other words, this donor will double any amount you could donate up to \$10,000 to reach a combined total of \$20,000, which will enable us to provide exciting, fulfilling, and life-changing employment to individuals who have Down syndrome.

Angels for Higher Greeters use their jobs as pulpits from which to joyfully proclaim God's message that every human being is incredibly precious, infinitely valuable, and eternally significant in His sight.

Will you help us advance the pro-life message that only Angels for Higher Greeters can bring to sports venues and the people in their surrounding communities?
